

PASSMAN & KAPLAN

Attorneys at Law P.C.

IS PROUD TO ANNOUNCE THE RELEASE OF:

THE FEDERAL EMPLOYEES LEGAL
SURVIVAL GUIDE,
THIRD EDITION

Just released, the **THIRD EDITION** of this comprehensive guide for enforcing the rights of federal employees is a “must have” for any federal employee, as well as for those practitioners who assist in enforcing the rights of federal workers. New features in the Third Edition include information on furloughs, non-critical sensitive positions, personal liability, federal employee special categories, internet research, Genetic Information Nondiscrimination Act (GINA), updated privacy and medical confidentiality and also updated whistleblowers protection. The *Guide* includes sample forms, charts illustrating appeal rights, and commonly-needed deadlines. Newly added with this version are the e-book and a bundle option including the paperback and e-book. As with the first and second editions of the *Guide*, Passman & Kaplan has attempted to move away from the “legalese” which so often complicates an already-bewildering array of regulations and policies.
